

NEW YORK TIMES #1 BESTSELLING AUTHOR

LISA JACKSON

LISA JACKSON is the number-one *New York Times* bestselling author of over ninety-five novels, including the Rick Bentz and Reuben Montoya Series, the Pescoli and Alvarez Series, the Savannah series, and numerous stand alone novels. She also is the co-author of *One Last Breath*, *Last Girl Standing*, and the Colony Series, written with her sister and bestselling author Nancy Bush, as well as the collaborative novels *Sinister* and *Ominous*, written with Nancy Bush and Rosalind Noonan. There are over thirty million copies of her novels in print and her writing has been translated into twenty languages.

Before she became a nationally bestselling author, she was a mother struggling to keep food on the table by writing novels, hoping against hope that someone would pay her for them. Today, neck deep in murder, her books appear on *The New York Times*, *USA Today*, and *Publishers Weekly* national bestseller lists.

With **dozens of bestsellers** to her name, Lisa Jackson is a master of taking readers to the edge of sanity—and back—in novels that buzz with dangerous secrets and deadly passions. She continues to be fascinated by the minds and motives of both her killers and their pursuers—the personal, the professional, and the downright twisted. As she **builds the puzzle of relationships, actions, clues, lies, and personal histories that haunt her protagonists, she must also confront the fear and terror faced by her victims** and the harsh and enduring truth that, in the real world, terror and madness touch far too many lives and families.
